1. The following is additional information for vetting LARIONOFF.

2. Everything stated in Report No. 122 is confirmed; the only additions or contradictions are:

a. In 1938-1946, LARIONOFF worked for the Russian-language paper NOVOE SLOVO. His immediate superior was one DESPOTUL. *Despotuli Stah*

b. In 1938-1946, LARIONOFF's contact with the Germans was not with the Aussempolitiches Amt but with the Ostministerium (ROSENBERG). This was the reason that General TUREUL, who hated the Germans, refused to have much to do with LARIONOFF.
